

THE BRAND YOU CAN TRUST

ABOUT PALIT

- 30 years of company history
- 19 years European operations
- First graphics card manufacturer in Taiwan
- Biggest graphics manufacturer worldwide
- Exclusive “pure green” NVIDIA partner

2016 Market Shares

Palit's Origin

- **Phonetically derived from the word “palette”**
- **Back when graphics cards were monochrome, PALIT already brought your PC's colors to life – like a painter with the inks on his palette**

MILESTONES

1988: Established in Taiwan

1999: Facilities are ISO 9002/9001 certified

2005: Acquired GAINWARD
